

Year 5 Newsletter: Summer Term 2025

Welcome back.

Welcome back! I hope everyone has had an enjoyable Easter break and are glad to be back. The children have settled back quickly after the holiday and are working really hard. This newsletter will provide you some important information and inform you of the key events happening over the Summer term.

The school Day: children are to continue to come to school at 8:30am through the entrance at the office. Registration is 8:30am and lessons begin straight away.

School Uniform: the children can now wear their summer school uniform as stated in the school policy. Part of this uniform is school shoes rather than training shoes or jelly shoes. P.E. kits include maroon shorts, a white t-shirt and pumps and are required for every P.E. lesson.

Jewellery: watches can be worn for school and small stud earrings, other jewellery is not to be worn for school. ***Please note all watches and studs must be removed by the children for P.E. and swimming lessons.***

P.E.: During the Summer term, the children will have **P.E.** on a **Thursday afternoon**. They will need their school P.E. kit and pumps.

Names in clothing: naturally jumpers, cardigans, P.E. kits, coats can easily get mixed up or misplaced, please ensure names are written on clothing as it helps to return lost property to their owners.

Reading: the children are expected to read at home each night. We would greatly appreciate it if you could support their reading by listening to them read and make comments as appropriate in their reading record. It is always extremely useful to have feedback on your child's reading at home. We are also continuing with our graduate reading books and are hoping as many Year 5 children graduate as possible.

Spellings: the children will be given spellings on a Monday and will be tested on a Friday. The spelling sheet provides space for the pupils to practice their spellings each night using the LOOK, SAY, COVER, SPELL, CHECK method. There will also be additional spelling homework to reinforce the letter patterns or spelling rule.

Homework: the children will usually receive one piece of English homework and one piece of maths homework per week. Homework is to be handed in on Mondays and Fridays.

Bikeability: week beginning Monday 28th April, the children, who have signed up for the Bikeability sessions will undertake a days training on bike safety. The first session will be practicing on the playground and then if it is safe the children will progress on riding on the road. Your child will be given a day to bring their bike in and all children must have a helmet to take part.

Class webpage: our class webpage is updated throughout the term. It has some important information such as dates for your diary, key expectations for Year 5, an outline of topics to be covered this term and some of the lessons we have been working on this term. Please visit our class webpage and twitter feed to see what we have been learning about in Year 5.
