	Play in a Day – The Romans

Year 3 Medium Term Maths Plan

Summer 1

Fractions II	count up and down in tenths; recognise that tenths arise from dividing an object into 10 equal parts and in dividing one-digit numbers or quantities by 10
	add and subtract fractions with the same denominator within one whole e.g. $\frac{5}{7} + \frac{1}{7} = \frac{6}{7}$
	compare and order unit fractions, and fractions with the same denominators
	Solve problems using all of the above
Time IV	use vocabulary such as o'clock, am/pm, morning, afternoon, noon and midnight
	Estimate and read time with increasing accuracy to the nearest minute
	Solve problems
Money	Add and subtract amounts of money to give change using both £ and p in practical contexts
Statistics	Interpret and present discrete and continuous data using graphical methods including bar charts and time graphs
	Solve comparison, sum and difference problems using information presented in bar charts, pictograms, tables and other graphs
Mass & Capacity	Measure, compare, add and subtract; mass (kg/g); volume/capacity (l/ml)
