Spring Newsletter

Year 6

WELCOME BACK

Welcome back! I hope everyone has had an enjoyable Christmas and are glad to be back. The children have settled back quickly and are working hard already. This newsletter will provide you with some important information happening during the Spring term.

The school day:

Registration is 8:30am and lessons begin straight after.

School Uniform:

The children should wear school uniform as stated in the school policy. Part of this uniform is school shoes rather than training shoes. P.E. kits include maroon shorts, a white t-shirt and pumps. We will continue to have PE on a Monday afternoon. When the weather is cold/wet, please send in warmer clothing for your child.

Boosters:

Booster classes start this week Tuesday 7th January and Wednesday 10th January from 3pm to 4pm. I would like to say thank you in advance for your support in making it possible for the children to attend Booster sessions. They are very important as they help the children prepare for the SAT's tests and provide an excellent opportunity for the children to work in a small group with other pupils of similar ability and with an adult.

SATs Tests:

We will be working very hard this term to prepare for the SATs tests which take place in the week beginning Monday 12th May 2025 and last until Thursday 15th May. Just a reminder to avoid taking holidays in the run up to this week or during SATs week.

If you visit our class page, you will also find a link which will take you to an information page outlining information about SATs this year and what to expect.

"Be kind and loving to each other. Forgive each other the same as God forgave you in Christ." Ephesians 4:32

Home Learning

The children always work extremely hard on homework projects and produce work of an exceptionally high standard and we are grateful for this. SATs help has been posted on Google Classroom for children to access as needed.

Spellings are posted each week on Google Classroom. Children should be learning these each week using the help sheets available. Please ensure your child logs into Google Classroom each week for updates and homework.

Residential Trip:

We are looking forward to our residential trip to Colomendy in June this year. Please continue to make payments towards this and contact the office if you have any issues. Please also note that you will need to let the office know if you are not sending your child on the trip so that arrangements can be made for them in school that week.

Diary Dates

Boosters begin	Tuesday 7th January
