

Year 2: Summer 1

R.E.	To The Ends of the Earth – The Holy Spirit
ENGLISH: reading	Narrative (Fiction) — Wolfie's Secret, Mr Bunny's Chocolate Factory, The Truth Pixie Text-based English topic — Pupils will read a variety of engaging texts this half term. They will use these to work on their skills of retrieval and prediction. They will use the texts to explore use of punctuation and joining words in action.
ENGLISH: Writing opportunities	Story from another perspective (pigs point of view), Non chronological reports (wolves) Alternative ending (What happens when the wolf turns bad), Instructions (How to act like a big, bad wolf, Letter (chickens resignation), speech (Mr Bunny apology), Job Description (Edgar), Rules (Factory guide)
ENGLISH: SPaG	Grammar — verbs and adverbs Punctuation — commas for lists and apostrophe for omission. Spelling – Suffixes
Maths	Number and Place Value – consolidation and problem solving Addition and Subtraction – consolidation and problem solving Multiplication and Division Fractions Position and Direction See maths objectives below Counting – Reliably in 2's, 3's, 5's and 10's
Science	Living Things and Plants Compare living things, things that are dead and things that have never lived Discover how seeds and bulbs grow Investigate the conditions for plants to grow and to stay healthy
History	Titanic - Complete Give reasons why people from the past acted in the ways they did describing things that are different in their life from that of people who lived 100 years ago and use information gained from research to describe differences between then and now
Computing	Multimedia Use Book Creator as a way to share information with others. Use technology purposefully to create, organise, store, manipulate and retrieve digital content
Art	Sculpture Research and investigate art produced by Anthony Gormley Create artwork in the style of Anthony Gormley. Evaluate my artwork
Geography	Australia Name and locate Australia on a World map, understand similarities and differences between different habitats in Australia (human and physical), discuss what the weather is like in Australia and how this can vary, Describe how one place can be used by different groups in different ways (Uluru) and identify that on maps symbols convey meaning.
P.E.	Athletics
Music	Use voices expressively Play untuned instruments musically Listen with concentration recorders

Year 2 Medium Term Maths Plan

Summer 1

Addition & Subtraction	Solve problems with addition and subtraction using concrete objects and pictorial representations.
	Solve problems with addition and subtraction applying their increasing knowledge of mental and written methods.
	Recall and use add and subtract facts to 20 fluently, and derive and use related facts up to 100.
	Add and sub numbers using concrete objects, pictorial representations, and mentally, including: a 2-digit no and 1s or 10s; two 2-digit numbers; adding three 1-digit numbers.
	Show that addition of two numbers can be done in any order (commutative) and subtraction of one number from another cannot.
	Recognise and use the inverse relationship between addition and subtraction and use this to check calculations and missing number problems.

Multiplication & Division	Understand multiplication as repeated addition
	Understand division as sharing and grouping and that a division calculation can have a remainder
	Show that multiplication of 2 numbers can be done in any order and division of one number by another cannot
	Recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables and recognise odd and even numbers
	Derive and use doubles and halves of simple two-digit numbers
	Solve problems using multiplication and division
	Use place value and number facts to solve problems
