UNDERSTANDING THE WORLD						
Science	Explore the natural world around them, making observations and drawing pictures of animals and plants. Show care for animals.	Explore the natural world around them, making observations and drawing pictures of animals and plants. Irreversible changes	Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class.	Explore the natural world around them, making observations and drawing pictures of animals and plants. Reversible changes	Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class. Recycling Growth and decay	Understand the importance of healthy food choices.
Seasonal	Understand the effect of changing seasons on the natural world around them					

St Robert Bellarmine Catholic Primary School

UNICEF (Paddington)	Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class.					
Geography	Talk about the similarities and differences between them and their friends	Help children to find out about the environment by talking to people, examining photographs and simple maps and visiting local places. Observe, find out about and identify features in the place they live and in the natural world. Describe some actions which people in their own community do that help to maintain the area they live in. Draw information from a simple map			Explain that human activity can influence and impact on the world, meaning that things happen as a result of our actions. Rainforests/recycling Draw information from a simple map Interpret range of sources of geographical information, including maps, globes, photographs	Draw information from a simple map Interpret range of sources of geographical information, including maps, globes, photographs
Seasonal	Understand the effect of changing seasons on the natural world around them Examine change over time					
UNICEF (Paddington)	Recognise some environments that are different to the one in which they live. Introduce climate to the children. Recognise some similarities & differences between life in this country & life in other countries Talk about the similarities and differences between them and their friends and well as looking at photos of children and places around the world.					
History	Talk about members of their immediate family and community. Name and describe people familiar to them. Introduction of terms past, present and future in relation to themselves. Time lines.	Recognise different times and special events.	Discuss different times and events during the year – link to timeline.	Describe special events throughout the year and see them on the timeline.	Begin to understand growth and decay and changes over time.	Compare and contrast characters from stories, including figures from the past. Comment on images of familiar situations in the past.
Key Role Models Stories	Talk about the lives of people around them and their roles in society. Know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class. Understand the past through settings, characters and events encountered in books read in class and storytelling.					
EXPRESSIVE ART AND DESIGN						
Art and design	Sculpture - natural	Mark making –	Painting – explore and	Mark making –	Textiles – to make	Sculpture – select tools

St Robert Bellarmine Catholic Primary School

	resources to create transient art in the style of Andy Goldsworthy.	observational drawing of a range of autumn fruits.	create Frida Kahlo art by mixing primary colours to create secondary colours.	observational drawing of plants.	accessories and recycle products for puppets and instruments.	and techniques to shape, join assemble materials.
Ongoing	Mark making, painting, sculpture, collage, textiles and printing – it is important that the development of the children’s artistic awareness supports their imagination and creativity. Children have regular opportunities to engage with the arts, enabling them to experiment and play with a wide range of media and materials. The six art themes are threaded through explicit teaches, enhanced continuous provision and continuous provision.					
Music	Sounds all around – exploring vocal and instrumental sounds. Singing, playing musical instruments and moving to music. Controlling and handling instruments, start and stop signs and following conductor signs.	Celebrating – using voices and instruments in different ways. Exploring sounds to represent celebrations. Singing and learning songs for Christmas Nativity.			Mini-beasts – develop repertoire of songs about mini-beasts and growing plants. Exploring instruments, making and following musical patterns.	Travelling around – songs about travelling to other places. Listening and moving to music. Instrument activities. Creating cumulative sound sequences with songs and instruments relating to seaside holidays.
Composer study	Saint Saens Carnival of the animals – The Elephant and The Swan		Mendelssohn The Wedding March		Mozart Eine Kleine Nachtmusik	
DT	Look closely at similarities, differences, patterns & change Use different techniques for joining materials Use tools independently, with care & precision Create representations both imaginary & real-life ideas, events, people & objects		Create representations both imaginary & real-life ideas, events, people & objects		Look closely at similarities, differences, patterns & change Know & talk about the different factors that support their overall health & well-being Create representations both imaginary & real-life ideas, events, people & objects Responds imaginatively to art works & objects	
Ongoing	Develop own ideas through experimentation with diverse materials to express & communicate their discoveries & understanding Create collaboratively sharing ideas, resources & skills Return to & build on previous learning, refining ideas & developing their ability to represent them
