

As we play, learn and grow together we aim to be...

Inquirers

I am curious and enjoy learning. I like finding out about new things.

Knowledgeable

I know about many things and I remember what I have learnt.

Thinkers

I think carefully and show initiative. I make good decisions and I am a problem solver.

Well - Balanced

I look after my mind, my body and my emotions. I try to stay healthy and safe.

Principled

I tell the truth and I am fair. I share and play well with others showing respect.

Developing young learners

Resilient

I will always try my best and not give up even when I find things difficult. I will be strong on the inside and do my best to cope when things go wrong.

Risk Takers

I have confidence to try new things. I stand up for the things I believe in. I challenge myself.

Caring

I care about people, plants, animals and the world I live in. I help others and I look after the environment.

Communicators

I can share my ideas with others in many ways and I listen to the thoughts and opinions of others.

Reflective

I think about my own work, I know when I have done well and I know when I could have done better.

Open-Minded

I listen to other people and respect their ideas.
